Web Developer, Puppeteer, Grammarian

Experience/Internships:

2014- **Freelance Web Developer**   **Brooklyn, NY**
Completed contract work in both front-end and back-end web development in a variety of industries.

2013- **Founder, CTO, etc.**   **BedPost, Brooklyn, NY**
BedPost is an app that allows users to track their risk of sexually transmitted infection by collecting data on their partners, sexual practices, and STI testing results. Beta targeted for July, 2014. Personally conceptualized, built, designed, tested app, with input from a group of advisors that I have assembled.

2013 **Teaching Assistant**   **Sarah Lawrence College, Bronxville, NY**
Designed, built, and tested four digital games in Processing to demonstrate basic programming and game design principles for incorporation into curriculum for Professor Angela Ferraiolo.

2013 **Installation Crew**   **Mickalene Thomas Studios, Brooklyn, NY**
Member of installation team in Basel, Switzerland. Installed and maintained on-site multi-room interactive art installation sponsored by Absolut Vodka. Problem-solved, managed wait staff, performers, and sound equipment at bar.

2012 **Entrepreneur/Designer**   **EOR Enterprises, Brooklyn, NY**
Designed and prototyped novel product using Arduino. Evaluated market; explored patent opportunity; defined market size and go-to market strategy.

2012 ***Creative Time Reports* Intern**   **Creative Time Inc, New York, NY**
Pre-launch preparation for a web platform for artists' commentary on current events. Researched artists, issues, and topics; edited podcasts and text articles; fact-checked; advised on website layout; managed correspondence with artists and advisory board; maintained editorial calendar.

2011 **Communications Intern**   **El Museo del Barrio, New York, NY**
Responsible for creating Annual Report: created presentation framework; assembled content and media; wrote and prepared first draft; processed input from department heads and staff members; compiled and edited final copy for print.

2008- **Family Group Leader**   **Community of Inclusion Camp, New York, NY**
2010 Leader, advisor, facilitator, teacher, role model, and counselor to campers ages 13-22. Ran workshops on safer sex practices, identity exploration, community building, conflict resolution, and other LGBT youth issues.

Education:

2013 **Web Development Immersive**   **General Assembly, New York, NY**
12-week intensive full-stack Ruby on Rails Boot Camp

2013 **B.A.**   **Sarah Lawrence College, Bronxville, NY**
Concentration: Creative Computing, Non-fiction Writing, Puppetry

2009   **Hunter College High School, New York, NY**

Skills:

Programming Languages:
Ruby
Javascript
HTML
CSS
Arduino
PHP
Python
Java

Frameworks:
Rails
jQuery
Sinatra
Backbone
Processing
Android

Database:
PostgreSQL

Version Control:
GitHub
Heroku

Project Management:
Test-driven development
Behavior-driven development

Managerial/Leadership:
Conflict resolution
Curriculum writing
Workshop facilitation

Languages:
English
Spanish

Editing:
Copy and content
Sound (Audacity)

Technical:
Construction and carpentry
Light and sound board
Light hanging and focusing
Puppet design and construction
Basic circuitry
Mechanical problem-solving
